TRUE INSCRIPTIONS

1. ...cut down the images of their gods
...you shall not eat anything abhorrent
...do not harden your heart or shut your hand against your needy kinsman
...when you set a bondsman/woman free, do not let them go empty handed
...you are to bring your burnt offerings
2. See *Anochi*... (Deuteronomy 11:26)

The entire Torah is encompassed in the Ten Commandments; the Ten Commandments are all contained in the first two commandments; the first two commandments are contained in the first commandment; and the first commandment is reflected in microcosm in the first word, *Anochi*. (Rebbe Yosef Yitzchak)

Rabbi Yoḥanan said that the word *anochi* that begins the Ten Commandments is an abbreviation for: *ana nafshi ketivat yehavit*. (Shabbat 105a)

I wrote down my very soul and gave it to you.
My soul is inscribed in these words I gave you.
